WE BUY LOCAL PRODUCE TO SUPPORT LOCAL BUSINESSES AND REDUCE FOOD MILES.

100% of our food suppliers are classed as local and 75% of our food purchases are produced in the UK. Our service recognises the value and importance of sustainable and responsible food sourcing.

Our aim is to positively influence the diet of our children and young people, and always consider where the food we put on the plates comes from and how it was produced.

FREE SCHOOL MEALS FOR ALL CHILDREN IN RECEPTION, YEAR 1 AND 2

All children in reception and years one and two are entitled to free meals as part of the Government's new Universal Infant Free School Meal. This is worth up to £418 per year per child - please talk to your child's school for more details.

Plus if you receive certain benefits, or have a household income below the Government threshold, register your entitlement with your area education office. Your child's school can receive extra funding called the 'Pupil Premium' which is sometimes worth £1,455 per pupil to the school.

Can I claim free school meals for my older children?

Yes you can, if you are on certain benefits. Just ring your local Area Education Office with details of your name, date of birth and National Insurance number and they will let you know if you are eligible.

CONTACT YOUR AREA EDUCATION OFFICE ON: 0300 123 6701

Special diets are diets for pupils with a medically diagnosed requirement; not just a dislike of certain foods or food groups. It is our policy to provide a service for those pupils with medically diagnosed food allergies, food intolerances or a medical condition which affects eating requirements.

Please contact your school office in the first instance to inform them of your child's requirements.
